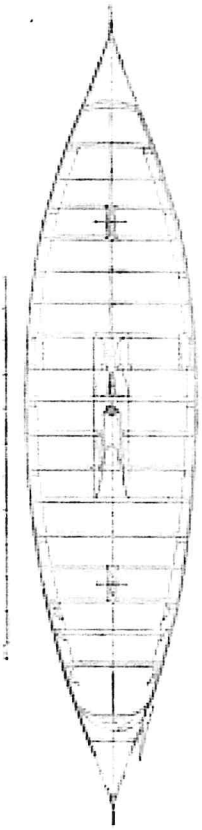
From the Baron & Baroness



Greetings to the Barony of al-Barran! WAR is around the corner. Once again, make sure your equipment is ready and that your weapons of art and war are prepared for the festivities! We need everybody's help to make this a great event! We are still in need of a volunteer coordinator for al-Barran. This person will be responsible for maintaining a tally of volunteers and hours worked from al-Barran at Estrella. We need to have all of Our populous' efforts count! Please contact Us if you are interested in this position. We are also still in need of people to help with tabards for WAR. If you would be able to help with any aspect of these, please let Us know as soon as possible. Thank you!

Midwinter is this month! The feast and entertainment promises to be wonderful. Once again, the theme is Viking. This year arrangements are being made to attempt to have all of the food served fresh and hot to all of the guests! Please see the article in this month's Shaft for details of the event. If you have not yet made your reservations, do so quickly. They are going fast! We hope to see everybody there!

There has been some rearranging within the Condotierri. We would like to Thank Lady Natasha for all of her hard work within the Condotierri and wish her well in her new endevors on the Queen's Guard. We would like to Welcome Our new Captain, Lord Traithgren to this position. If there is anything you need from the Rapier guard, please see him regarding this. If you are interested on being on the rapier guard, please see Traithgren and Ourselves. We would be happy to consider new members.

Play and travel safe!

Gregor — **Baron**

Monika — **Baroness**

From the Chronicler

Greetings al-Barran. I would to take this time to apologize for any confusion there might have been in getting the Baronial Shaft to your mailboxes. Since taking over as Chronicler, I have received quite a few calls and emails from citizens who ordered the Shaft and sent their payment, but the check never cleared and the Shaft never arrived. There was an issue with our post office box and the problem has since been resolved.

So, for those who are interested in ordering a subscription to the Shaft let me make it clear that there is a system on how this works. All subscriptions and checks that are sent to our post office box go to the Reeve first. Once she is finished with her side of matters, I receive the subscription information. If you have an issue with a check that has not been cashed, you need to take that issue up with the Reeve, whose contact information is listed on page 2. If you have a problem with the actual subscription you need to contact me, but please keep in mind that all subscriptions that were sent to the post office box go through the Reeve FIRST, so they may be with her when you contact me. You can also feel free, if you see me at fighter practice or any event, to give me the payment and subscription information.

Thank you again for your patience and keep those subscriptions coming!

In Service,
Lady Teresa MacDuffie

From the Mistress of the List

Greetings al-Barran, I would like to take this opportunity to introduce myself. My name is Bevin. I have been actively involved with the barony for almost 2 years, and loving every minute of it! It is my hope and intention to spread my enthusiasm unto all who come to know me, including the new members and seasoned members alike! Becoming an officer of this Barony will be a wonderful experience for me and I hope it will be for you as well.

I will be looking for more than one deputy, if you are interested in this position please contact me. I am also interested in learning different and new tournament styles. If you have wanted to introduce new ideas or just re-introduce a style that hasn't been used in a long time, please do not hesitate to talk with me about it! I look forward, with excitement, to working with all of you!

Until we meet again,
Your Mistress of the Lists,
Bevin

Archery Report

Greetings unto All, This year's archery season has almost come to a close. The month of January will be the beginning of a new archery season.

Why is this important? It is important because of archery rankings. Archers receive ranks based on an average of three royal round scores within a single season. To wit, several of our archers have achieved rank advancements this year, as officially announced by the kingdom score-keeper:

Ameline d'Angles sur l'Anglin Novice-OH
Caroline Novice-OH
Druid Aukring Forester-PH
Greta Lohr Novice-OH
Ia of Basel Yeoman-OH
Mari the Far Traveled (of Blackwater Keep) Bowman-PH
[OH = Open Handbow; PH = Period Handbow]

Forester is the highest rank listed here, followed by Yeoman, than Bowman and Novice is the entry level rank. These archers have already received tassels of the appropriate colors and scrolls will hopefully be available at midwinter. Congratulations to these archers!

Practices will continue in December, on Saturdays at 10 AM. :

December 1 – regular practice at Master Tore's if the weather is good

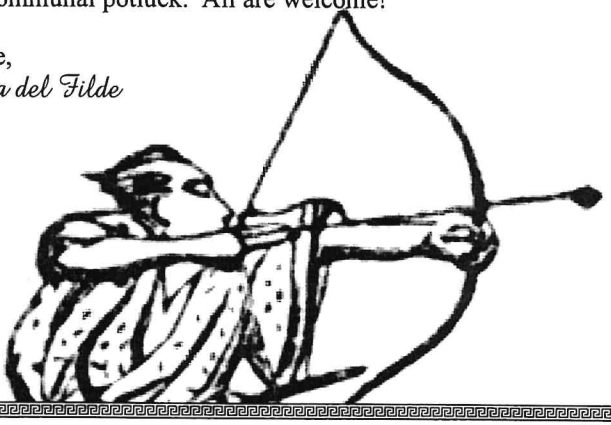
December 8 – Sir Stefan's range – Clean up and Potluck

December 15 – Cancelled due to Midwinter

December 22 and 29 – by Sir Stefan or Lord Druid's discretion at Sir Stefan's range.

Practices will continue on into January, Saturdays at 10 AM at Sir Stefan's range. Come December 8 to Sir Stefan's range, where will do some cleaning up, re-setting firing lines, and likely do some shooting all followed by a communal potluck. All are welcome!

Yours in Service,
Lady Lyneya del Filde



Court Dancing

Court Dance practices at fighter practice will be December 2 and 9 at Bataan Park, from 12:00 to 2:00pm. Everyone, age 7 and up are welcome at our court dance practices. Court dance practice at Blaiddwyn is led by Lady Dovey on the 1st and 3rd Monday evenings at the SUB at UNM. Bataan Park is at the NW corner of Lomas and Carlisle.

Getting to Know the Populace

By Jacquette du Champ

The sound of laughing, the swish of blades in the air, twinkling eyes and the gallantry of the 16th century greet you in the world of the rapier fighters. One of these noble gentles consented to an interview for the Shaft.

Barron Govanen is a late 16th century Anglo-Welsh persona. He hales from the lands between England and Wales. Once a privateer during the Armada campaign, he has settled down as a fencing instructor. Govanen is a Defender of the White Scarf, which is considered the highest award for rapier fighters in most of the kingdoms. He earned this through skill with the rapier, service to the kingdom, chivalry on and off the field, and dedication to the rapier community. White scarves are given at the discretion of the Crown.

Govanen was admitted to the Order of the White Scarf without having been a cadet. However, cadets are the formal students of White Scarves. Anyone can approach White Scarves for training. Wearing a red scarf tied to arm or shoulder shows that you are a cadet. It is a minor ceremony, varying amongst gentles, but is usually witnessed by the Queen.

The first event Govanen attended was Mayday melees in Drygystan 21 years ago. He was drawn to the SCA because of the "fighting, history and women". He has an impressive list of accomplishments including: Cut-and-Thrust Marshal for the Kingdom, Deputy Kingdom Marshal of Fence, Marshal of Fence for Drygestan and al-Barran, Reeve for Drygestan, Protector of the Queens Heart, Queens Rapier of Chivalry, Baroness's Rapier of Chivalry, Protector of the Baroness's heart, Premiere Blade and the second Captain of the Condotierri.

Barron Govanen's lady is the lovely Lady Bronwen, who keeps him on his toes. Like Govanen, Lady Bronwen is also late 16th century rural Welsh nobility. Bronwen is also a rapier fighter and is the cadet of Don Rudger. In his mundane life Govanen is Jon Robbins, originally from Santa Fe. He works at a veterinary clinic in Santa Fe.
